Celebrating the IB Learner in Every Student

At Herbert A. Ammons Middle School, we believe that success is not just measured by grades—but by the character, curiosity, and global-mindedness our students demonstrate each day.

The IB Learner Profile embodies key attributes that reflect our commitment to developing well-rounded, principled individuals who will make a difference in the world.

Today, we recognize a select group of students whose achievements stand out among their peers. These award recipients have consistently gone above and beyond—demonstrating academic excellence, strong work ethic, and the qualities of lifelong learners. Whether displaying the confidence of Communicators, the curiosity of Inquirers, the courage of Risk-Takers, the compassion of Caring individuals, or the thoughtful insight of Reflective learners, these students represent the very best of our Ammons community and the IB mission.

As you sit here today, know that you are part of a proud tradition. Many of the students who once sat in your seats have gone on to become doctors, engineers, artists, entrepreneurs, and changemakers. They began their journey at Ammons—just like you—by working hard, embracing challenges, and believing in their potential. You are following in the footsteps of greatness, and the best is yet to come.

Today, we celebrate the dedication, perseverance, and excellence of our outstanding students. Each award represents not just a grade or a project, but countless hours of effort, growth, and determination. You have inspired your teachers, your peers, and your families—and we could not be prouder of your accomplishments.
